

## **SAFETY POLICY STATEMENT**

It is the policy of **Gavin and Doherty Geosolutions, GDG**, to promote high standards of health and safety within **GDG** and to ensure compliance with all of the relevant statutory requirements, including the Safety, Health and Welfare at Work Act 2005, S.H.W.W. (General Application) Regulations 2007, S.H.W.W. (Construction) Regulations 2013 and with other requirements to which GDG subscribes that relate to relevant OH&S hazards. GDG is committed to the prevention of injury and ill health and continual improvement in OH&S management and OH&S performance.

In addition to our commitment to the safety of our employees, it is our policy to ensure the safety of visitors and members of the public and to discharge our duties to contractors and others who may be affected by our activities.

**GDG** undertakes to ensure that adequate resources are provided to implement the Health and Safety Policy. The Management will therefore ensure that:

- (a) Adequate resources are provided to ensure that proper provision can be made for health and safety.
- (b) Adequate numbers of suitably trained personnel are available to undertake all work activities.
- (c) Sufficient resources are available to provide necessary information and training with respect to health and safety.

All employees of **GDG** are expected to demonstrate their commitment towards a safe and healthy work environment by complying with this health and safety policy and associated procedures.

It is our intention to review this statement and the associated OH&S objectives regularly and employees are encouraged to put forward suggestions for improvements through the consultation procedure. This policy is documented within the H&S Policy document in the IMS folder and is reviewed periodically to ensure that it remains relevant and appropriate to the organization.

**This Safety Statement is communicated to all persons working under the control of the organization with the intent that they are made aware of their individual OH&S obligations and is available to interested parties and members of the Health and Safety Authority.**
